Host a Joint Venture Estate Jewelers' Jewelry Party

CARY, N.C. —Joint Venture Estate Jewelers now hosts Jewelry Parties. Parties are a great way to learn more about jewelry through the ages, current trends, tips for buying and caring for jewelry, as well as complimentary cleaning and polishing with all your friends. Parties are targeted towards women's groups, charity events, bridal showers, or just a women's day out. Each party typically lasts 1-2 hours and includes complimentary goodie bags, light refreshments, jewelry education and jewelry discounts for all guests.

"Everyone enjoyed themselves," Maggie Curtis said after her Joint Venture Jewelry Party. "Thanks for an educational, elegant and fun morning learning about jewelry and playing with all the fabulous pieces in your store."
